Approach the New Year with resolve to find the opportunities hidden in each new day.

Start the New Year with an empty jar. Every time something good happens to you, write it down on a piece of paper and place it in the jar.

On the last day of 2019, empty the jar, and see how many gifts life has given you.

Wishing you and your families all the gifts life has to offer!

Happy New Year 2019!
